Pads & Pillows

Duck-Sorb® Absorbents are 100% cotton and wool made products. They are the most versatile, effective and economical absorbent product on the market, and they are reusable. Duck-Sorb® Absorbents are more economical than any competitive polypropylene product. And our cotton absorbents are made in the U.S.A. from 100% American grown cotton and wool. The Cotton Absorbents meet NFPA Standard 99 for Static Decay and are ideal for absorbing and protecting against spills, leaks and drips from hazardous liquids such as oils, fuels, coolants, solvents, diesel and other liquid hydrocarbons. The Wool absorbs heavy oils, grease, coolants, solvents and water.
